\$225-\$375

***Important Disclaimer:** Insurance discounts vary significantly by carrier, policy type, location, coverage limits, and security system features. Discounts shown are industry averages and are not guaranteed. Some carriers may offer higher or lower discounts, and some may not offer discounts at all. Contact your insurance provider to confirm your specific discount eligibility before purchasing. Savings calculations based on \$1,500 annual premium. Actual savings may differ based on your specific policy and carrier.

Insurance Carrier Discount Comparison

Major insurance carriers offer discounts for professionally monitored security systems. Here's a comparison of typical discount ranges:

Insurance Carrier	Typical Discount Range*
State Farm	15-20%
Allstate	15-25%
Progressive	10-20%

***Important Disclaimer:** Discount ranges shown are industry estimates and are not guaranteed. Actual discounts vary significantly by carrier, state, policy type, coverage limits, deductible, claims history, credit score, and specific security system features installed. Some carriers may offer higher or lower discounts than shown, and some carriers may not offer security system discounts at all in certain states or for certain policy types. You must contact your specific insurance provider to confirm your exact discount eligibility and amount before making any purchasing decisions. Alarm Guard is not affiliated with any insurance carrier and cannot guarantee any specific discount amount.

Carrier Comparison Continued

Insurance Carrier	Typical Discount Range*
GEICO	13-23%
Nationwide	15-25%

Average Discount Across Major Carriers: 15-25%*

Most homeowners with professionally monitored security systems qualify for discounts in this range, though actual amounts vary by individual circumstances and policy details.

***Critical Disclaimer:** All discount ranges are estimates based on publicly available information and industry averages. Actual discounts are determined solely by your insurance carrier and vary based on numerous factors including but not limited to: state regulations, policy type, coverage limits, deductible amount, claims history, credit score, home age and condition, security system features, monitoring type, and carrier-specific underwriting guidelines. Discounts are not guaranteed and may not be available in all states or for all policy types. Some carriers may offer no discount or discounts outside the ranges shown. You must contact your insurance provider directly to confirm your specific discount eligibility and exact discount amount. Alarm Guard makes no representations or warranties regarding insurance discounts and is not responsible for any discount amounts or carrier decisions.

After insurance savings

What You Get for Just \$19/Month

24/7 professional monitoring • Emergency police/fire/medical dispatch • Mobile app control • Smart home automation • Insurance discounts up to 25% • Lifetime equipment warranty • Local Ocala-based support team

***Important:** Best case scenario shown (\$50/month monitoring with 25% insurance discount = \$19/month net cost). Actual costs range from \$19-51/month depending on monitoring plan (\$50-70/month) and insurance discount received (10-25%, varies by carrier). Insurance discounts are not guaranteed and vary by carrier, policy, location, and system features. Monthly costs shown do not include equipment or installation fees. Contact your insurance provider to confirm your specific discount eligibility.
